Introduction and Purpose

These official rules of the League of Legends EMEA Championship apply to each of the Teams who have qualified to play in the LEC in 2023. These rules also apply to the Teams' Team Managers & Team Members and other employees but apply only to official League play and not to other competitions, tournaments or organised play of League of Legends.

League of Legends European Championship Limited, a limited liability company registered in the Republic of Ireland, has established these rules for the competitive play of League of Legends in order to unify and standardise the rules used in competitive play.

These official rules are designed solely to ensure the integrity of the system established by the League for professional play of League of Legends and a competitive balance among the Teams that play at the professional level. Standardised rules benefit all parties who are involved in the professional play of League of Legends, including the Team Managers, Team Members and Teams. Rules that impact all regions can be seen here: <https://www.competitiveops.eu/>.

The terms of engagement between Team Managers, Team Members and Teams are left to each of the Teams and its Team Managers/Members.

1. Eligibility Requirements

To be eligible to compete in the League, each Player must satisfy all of the following:

1.1. Player Age

- 1.1.1. No Player shall be considered eligible to participate in any LEC Match before having lived 17 full years. This shall not prevent Teams from signing Free Agents who have lived 16 full years, granted that they may not participate in an LEC Match until they have lived 17 full years.

1.2. Residency & Representation

- 1.2.1. All Players shall certify their residency upon participation in the LEC and any connected international events and tournaments by submitting an eligibility form and providing proof of residency. Any Player may redact any sensitive information and the League shall not be responsible for the disclosure of any personal information by the Player to the League. Each Player consents to the processing and/or transfer of any information by the League for administrative purposes. Providing false, misleading or incomplete information resulting in the misclassification of such Player's residency and region is subject to punishment.
- 1.2.2. Players may prove residency by submitting documentary evidence of eligibility. There are two general categories of evidence: government-issued documentation (e.g., government benefits records, military/draft registration papers) and private documentation (e.g., school records, deeds, leases, homeowner association documents, utility bills, bank records/statements, tax returns, insurance documents, medical records & employment records).

Minors may also have a parent or guardian prove residency status on their behalf by first, providing documentary evidence of the parent- /guardian-child relationship (e.g., a birth certificate) and second, submitting documentary evidence belonging to the parent/guardian, as outlined above.

- 1.2.3. In order to be deemed a Resident a Player must qualify under two possible scenarios:

Provisional Non-Residents:

A Provisional Non-Resident is a current Non-Resident who has begun accruing time towards becoming a Resident. A Provisional Non-Resident can become a Resident if the Player has legally resided and been primarily present in the region for no less than 48 months out of the last 72 months immediately prior to such Player's participation in the first Game of the application tournament.

New Non-Residents:

A New Non-Resident is a Player who was not on the Team Roster of a Team in the Professional or Semi-Professional League nor relocated to that region for the goal of training in those Leagues between May 11th, 2015 and August 1st 2016. After that date, a Player will be considered a New Non-Resident and unable to

CONFIDENTIAL

Version number: 2.0

Last modification date: 21st of November 2022

obtain residency only by staying within the region for 8 out of the last 12 Splits. A New Non-Resident Player must obtain lawful permanent resident status in the region the Player participates in.

1.2.4. A Player may only be a Resident of a single region at any point in time. Upon joining a Team's Roster, a Player will be considered a Non-Resident until and unless they declare themselves a Resident and meet the standards set forth in this rule. A Player who has lawful permanent resident status in multiple regions cannot be a Resident of two regions simultaneously per this rule. Once a Player declares residency in one region in which they are eligible, in order to switch residency to the other region, they must have participated in at least 50% of Regular Season Matches of their Team within that region in its most recent completed Split.

1.2.5. LTRs are defined as players who have fulfilled one or more of the following criteria:

- The player has legally resided and been primarily present in the competitive area of the ERL for no less than 36 out of the last 60 months immediately prior to their participation in the first game of the applicable competition.

For ERL players:

- The player was on the roster of an ERL team for the majority of Competition Weeks in no less than two of the last three EM-qualifying ERL splits prior to their participation in the first game of the applicable competition.

For LEC players, if the LEC organisation operates an ERL roster:

- The player was on the roster of an LEC team for the majority of Competition Weeks in no less than two of the last three LEC Competitive Half-Seasons prior to their participation in the first game of the applicable competition.
- A player can gain the LTR status by participating in any of 1st or 2nd Division ERLs, excluding Pro-Am and other regional competitions.

1.2.6. If a Player can prove they have not claimed LTR status in any ERL in the past and cannot currently claim LTR status for any ERL using the clauses above, the ERL may grant LTR status to the player at their sole discretion.

1.2.7. A Player may only claim LTR status for the ERL region in which they are currently participating. Upon joining another ERL, the Player will have to prove their LTR

status for the respective ERL or become a Non-Representative.

- 1.2.8. A Player may only be an LTR of a single ERL at any point in time. A player will not be considered a representative until they have declared themselves as an LTR to the respective ERL.
- 1.2.9. Players are not required to claim LTR status and may choose to remain a Non-Representative despite being eligible.

1.3. Work Eligibility

- 1.3.1. Each Player must submit proof, prior to being added to a Team's LEC or ERL Roster, that they will be a legal resident of a country in the EMEA Competitive Region as per the laws of that country.
- 1.3.2. All Players on a Team's LEC Roster must be work-eligible in Germany.

1.4. Account Vetting

- 1.4.1. Prior to a Team Member being deemed eligible to participate in the LEC, Teams must submit details of all active League of Legends accounts used in the last 6 months, including user/summoner name and server region, to League Officials. Failure to do so may result in penalties.
- 1.4.2. The behaviour check will analyse the Team Member's behaviour record across all accounts on the live servers and determine whether or not they are in line with the standards expected from Players in the LEC.
- 1.4.3. League Officials will inform Teams of their Team Members' eligibility upon completion of the vetting. This process may take up to 72 hours.
- 1.4.4. If a Team Member is deemed ineligible, a report containing information on why the Team Member did not pass vetting will be compiled. League Officials may share this report with the Team upon receiving written permission from the Team Member. The Team Member may also receive further sanctions depending on the severity of the case.
- 1.4.5. Team Members deemed eligible may still be subject to official sanctions such as warnings, suspensions and/or fines based on the results of the behaviour check.

1.5. No Riot Employees

- 1.5.1. Team Owners and Team employees may not be employees of Riot Games Inc. ("RGI") or League of Legends Esports Federation LLC or any of their respective affiliates. "Affiliate" is defined as any person or other entity which own or controls, is under the ownership or control of, or is under common ownership or control with, the named Riot entities above. "Control" shall mean the power, through any means, to determine the policies or management of an entity, whether through

- 2.1.2. - 2.1.3. The pause can be resumed if the Team Member re-joins the same team without joining another. (ii) the Team Member seeks outside legal counsel or representation to assist them in reviewing the Interest contract; (iii) the contract must include a clause allowing the Team Member to divest immediately upon termination of the Team Member Agreement if the Team Member is joining another Team; (iv) the Team has followed the relevant Change Event procedures as outlined in their Team Participation Agreement; and (v) the Team Member consults with the League to understand the restrictions around being associated with another Team that being an owner of the Granting Team entails.

The League shall have the right to make final and binding determinations regarding Team ownership, issues relating to the multiple Team restriction and other relationships that may otherwise have an adverse impact on the competitive integrity of the LEC. Any person that petitions for ownership into the LEC can be denied admission at the sole discretion of the League. Team Owners agree that they will not contest any final determination of the League in connection therewith.
- 2.2.2. A Team is considered professional while participating in the LEC. If an Owner or affiliate of an Owner is found to have any financial interest or benefit or any level of influence in another Team, the Owner will be required to immediately divest said interest in one of the two Teams and may be subject to punishment by the League.

8.15. Tiebreakers

Tiebreaker Guidelines

- 8.15.1. All tiebreaker-games will be played as single Best-of-1 Games.
- 8.15.2. Tiebreaker-games will be scheduled at the sole discretion of the League.
- 8.15.3. For all tiebreaker-games the right for side selection will be determined by the head-to-head record of the teams playing the tiebreaker.
- 8.15.4. If multiple Teams are tied in Championship Points at the conclusion of the Summer Split, then the Team which gained the most Championship Points in the Summer Split will be considered the higher seed.
- 8.15.5. If two Teams gained the same amount of Championship Points in the Summer Split, then their Summer Split Regular Season standings after the tiebreaker games will be used to break the tie.
- 8.15.6. Tiebreaker games will not be played if their outcome will not have any competitive implications.

CONFIDENTIAL

Version number: 2.0

Last modification date: 21st of November 2022

- 8.15.7. If two teams have the same SoV Score, the team with the favourable head-to-head has the advantage.
- 8.15.8. In the event that two Teams are tied in the standings at the conclusion of the Regular Season Split, the tie will be broken by their head-to-head record (see 8.14.10. for the 8th place exception).
- 8.15.9. If three or more Teams are tied, the head-to-head record of all Teams against all other Teams involved in the tiebreaker will be considered. This means that, if one or more Teams have won/lost more than 50% of the Matches in aggregate against every Team in the tiebreaker, they are automatically granted the higher/lower place(s) available in the tiebreaker, and a new tiebreaker is declared amongst the remaining Teams. If the Teams have an identical amount of Games won against each other, the SoV Score will be taken into account, with the Teams with higher SoV Score being granted the higher seeds. If after this the Teams are still tied, then the structures under “Tiebreaker Scenarios” below will be used depending on the number of Teams in the tiebreaker.
- 8.15.10. As an exception, tiebreaker games will always be played between Teams tied for 8th place.
- If two Teams are tied for 8th place, they will play a tiebreaker game to determine final standings.
 - If three Teams are tied for 8th place, Teams will be drawn into a single-elimination bracket where a Team has a bye into the next round. This Team will be determined by using head-to-head records of the teams involved in the tiebreaker. If the head-to-head record is equal between the three teams, then SoV Score will be used. If SoV Score is equal, Victory Times among the three Teams will be used, with the Team who won the fastest getting the bye into the next round.
 - If there is a tie between four or more teams that involve the 8th place, in case the ties can be resolved with head-to-head record or SoV Score, all ties for 7th place and above will be resolved using head-to-head record and SoV Score as per 1.14.4., but tiebreaker games will be played to resolve the 2-way-tie or the 3-way-tie involving the remaining teams tied for the 8th place.

Strength of Victory Score (SoV Score)

- 8.15.11. At the end of each Regular Season Split, the Teams shall be ranked from 1 through 10 based upon Match winning percentage, where the highest winning percentage is ranked as 1, and each Team is ranked in descending order of Match winning percentage.
- 8.15.12. In situations where exactly two Teams have the same Match winning percentage, the team who has the head-to-head advantage will be considered higher in the Strength of Victory Score. In all situations where more than two Teams are tied, the tied Teams shall each be counted at the highest possible position.
- 8.15.13. Once the above order is determined, a victory against a Team is worth a set amount of points as set forth in the table below. To calculate a Team's Strength of Victory, add the SoV Score for each of your Victories.

Standing	SoV Score	Standing	SoV Score
1 st	+10	6 th	+5
2 nd	+9	7 th	+4
3 rd	+8	8 th	+3
4 th	+7	9 th	+2
5 th	+6	10 th	+1

Example: If the 3rd placed Team has a victory against the 1st(+10), 2nd(+9) and 8th(+3) team, their Strength of Victory Score would be 22.

Tiebreaker Scenarios

- 8.15.14. 2-way-tie:
See above 8.14.8.
- 8.15.15. 3-way-tie:

- 8.15.16. 4-way-tie:

awarded the highest standing being decided by the tiebreaker, and the loser of Game 3 will be awarded the next highest standing being decided by the tiebreaker. The winner of Game 4 will be awarded the next highest standing being decided by the tiebreaker and the loser of Game 4 will be awarded the lowest standing being decided by the tiebreaker.

- 8.15.17. 5-way-tie:
The Teams will be drawn into a single-elimination bracket based on their Victory Time, where there is a play-in between the two Teams with the highest Victory Time for the fourth semi-final spot. The tournament will require a 3rd-place Game to determine 3rd/4th place.
- 8.15.18. 6-way-tie:
The Teams will be drawn into a single-elimination bracket based on their Victory Time, where the two Teams with the lowest Victory Time have a bye into the semi-final round. The tournament will require a 3rd-place Game to determine 3rd/4th place.
- 8.15.19. 7-way-tie:
The Teams will be drawn into a single-elimination bracket based on their Victory Time, where the Team with the lowest Victory Time has a bye into the semi-final round. The tournament will require a complete loser's bracket to determine seeding for all slots.
- 8.15.20. 8-way-tie:
The Teams will be drawn into a single-elimination bracket based on their Victory Time. The tournament will require a complete loser's bracket to determine seeding for all slots.
- 8.15.21. 9-way-tie:
The Teams will be drawn into a single-elimination bracket based on their Victory Time, where there is a play-in-game between the two Teams with the highest Victory Time. The tournament will require a complete loser's bracket to determine seeding for all slots.

8.16. Submission of Side Selection

 - They get handed to League Officials immediately after the team's arrival in the studio.
- 9.2.3. For Roadshows and International events, players may be asked to leave all of their peripherals in the studio.
- 9.2.4. Teams that fail to comply with the regulations above will face escalating fines according to the Penalty Index.

9.3. Clothing & Apparel

- 9.3.1. Players must wear official approved Team jerseys during all LEC Matches and approved Team branded apparel during all pre-/post-match interviews.
- 9.3.2. All Players on the Starting Line-up must wear closed-toe shoes and matching jerseys & pants. The attire will require approval from the League.
- 9.3.3. Jerseys may have a collar, a hood, short or long sleeves. Jerseys that are not 100% polyester need to first have their material approved by the League. Jerseys that are below 40% polyester are not allowed. The only blend allowed is polyester (or recycled polyester) and cotton. Exceptions to this rule for legitimate medical reasons will be granted at the discretion of the League on a case-by-case basis.
- 9.3.4. Outerwear, including hoodies and jackets may only be worn onstage if they are official Team gear, have official Team branding on the front, are the same colours as all other outerwear being worn on stage by the Team and only use official Team colours represented on the Team's approved jersey. A jersey with a hood can be considered a jersey and not outerwear.
- 9.3.5. Team Members may wear apparel with multiple logos, patches or promotional language. All decisions in regard to apparel are at the sole discretion of the League. Objectionable or offensive examples below are listed for illustrative purposes only:
 - (i) Containing any false, unsubstantiated, or unwarranted claims for any product or service, or testimonials, the League considers unethical
 - (ii) Advertising any non-"over the counter" drug, tobacco product, firearm, handgun or ammunition

- (iii) Containing any material constituting or relating to any activities which are illegal in any League region, including but not limited to, a lottery or an enterprise, service or product that abets, assists or promotes gambling
 - (iv) Containing any material that is defamatory, obscene, profane, vulgar, repulsive or offensive, or that describes or depicts any internal bodily functions or symptomatic results of internal conditions, or refers to matters which are not considered socially acceptable topics
 - (v) Advertising any pornographic website or pornographic products

 - (vii) Disparaging or libelling any opposing Team or Player or any other person, entity or product
- 9.3.6. The chest area of the jersey needs to feature the team name/logo and can feature up to two sponsors. The equivalent area on the back of the jersey is reserved for team branding and Summoner Name.
- 9.3.7. Sponsor logos may be placed on the shoulders, sleeves, collar bones as well as the area below the chest and the corresponding area on the back of the jersey. No LEC or Riot Games logos may be used on jerseys except for the spaces dictated by the League.
- 9.3.8. Long-sleeved shirts of cotton or athletic material may be worn underneath the Team jerseys. The under-jersey apparel must be either Team colours or a neutral colour. Sponsors will only be allowed on this attire if the design has been previously submitted and approved by the League.
- 9.3.9. Coaches must wear, at a minimum, business casual attire while at the studio. Business casual is defined as clothing suitable for the environment. Examples of this include simple polo t-shirts with a Team logo, buttoned shirts, suit jackets, jeans, trousers. Business casual does not include: athletic wear and team- and sponsor-branded apparel, beyond what is specifically mentioned above.
- 9.3.10. All apparel must conform to the League Branding and Style Guide.
- 9.3.11. Hats or any headwear that would block the headset covering the ears are not allowed without prior written approval of the League.
- 9.3.12. A Player may not cover their face or attempt to conceal his or her identity from League Officials. League Officials must be able to distinguish the identity of each

Player at all times and may instruct Players to remove any material that inhibits the identification of Players or is a distraction to other Players or League Officials.

- 9.3.13. The League reserves the right to refuse entry or continued participation in the Match to any Team Member who does not comply with the apparel rules.
- 9.3.14. Headphones must be placed directly on a Player's ears, and must remain there for the duration of the Game. Players shall not obstruct the placement of headphones by any method. This includes placing any item, excluding glasses, between the headphones and the Player's ears.
- 9.3.15. Players may not touch or handle another Player's equipment after a Game has started. Players who require assistance with their equipment have to ask a League Official.

9.4. Tournament Realm Accounts

- 9.4.1. Players will be provided Tournament Realm Accounts by the League. It is the Players' responsibility to configure their account to their preferences. The Account's Summoner Name must be set to the Player's Official Tournament Handle as approved by the League.
- 9.4.2. The use of ward skins and emotes on Tournament Realms is allowed unless usage has been restricted by League Officials.

9.5. Patch

- 9.5.1. The competitive patch will be updated a full calendar week after its release onto the live server. A patch will not be implemented if a Regular Season, Group Stage /Playoffs or LEC Finals round has started. To clarify, two different patches will be utilised each Split. One for the Regular Season and one for Group and Playoffs combined.
- 9.5.2. Champions will be automatically restricted from play for their release patch. Champions that have undergone reworks will be enabled at the sole discretion of the league.

9.6. Match Area

- 9.6.1. Access for Teams to the restricted areas of venues for Matches is restricted to the Team only, unless otherwise approved by League Officials. Permission to attend League Matches is solely at the discretion of the League.
- 9.6.2. Team Managers are not allowed in the Match Area during the Match. They may be in the Match Area during the Match preparation process but must leave prior to the Pick-&-Ban Phase.
- 9.6.3. Players are not allowed to have wireless devices in the Match Area. League Officials will collect such devices in the Match Area and return them at the end of the Match.
- 9.6.4. Players must sit in the order in which they will join the game lobby: Top, Jungle, Mid, Bot, Support. This order should be considered from the vantage point of a viewer facing the Players, and read from left to right.
- 9.6.5. No food is allowed in the Match Area. Drinks are permitted in League-provided re-sealable containers.
- 9.6.6. The warm-up area ("Green Rooms") will contain League-provided PCs for Players to practice on before their Matches. The warm-up area is reserved for Teams only and access will be provided at the League Officials' discretion.

- 9.6.7. Access to other areas within the venue may be granted by the League. Access to these areas is also restricted to Teams and at the League Officials' discretion.

9.7. Setup Time

- 9.7.1. Players will have a designated time frame prior to their Match to ensure they are properly prepared. League Officials will inform Players and Teams of their scheduled preparation time frame as part of their Match schedule. League Officials may change the schedule at any time. Setup Time is considered to have begun once Players enter the Match Area, at which point they are not allowed to leave without permission of the on-site League Official or Referee. Setup is comprised of the following:
- Ensuring the quality of all League-provided equipment
 - Connecting and calibrating peripherals
 - Ensuring proper function of the voice chat system
 - Setting up rune pages
 - Adjusting in-game settings
 - Limited in-game warm-up
- 9.7.2. If a Player encounters any equipment issues during Setup Time, the Player must notify a League Official immediately.
- 9.7.3. League Technicians will be available to assist during Setup Time and to troubleshoot any problems encountered.
- 9.7.4. It is expected that Players will resolve any issues during Setup Time within the allotted time and that the Match will begin at the scheduled time. Delays due to setup issues may be permitted, at the sole discretion of League Officials. Penalties for tardiness may be assessed at the discretion of the League.
- 9.7.5. No fewer than two minutes before the Match is scheduled to begin, a League Official will confirm with each Player that their setup is complete.
- 9.7.6. Once all ten Players in a Match have confirmed completion of setup, Players will be asked to join the game lobby and may not enter a warm-up game.
- 9.7.7. League Officials will decide how the official game lobby will be created. Players will be directed by League Officials to join a game lobby, as soon as Setup Time has ended, in the following order of positions: Top, Jungle, Mid, Bot, Support.

9.8. Pick-&-Ban Phase

- 9.8.1. Once all ten Players have reported to the official game lobby, a League Official will request confirmation that both Teams are ready for the Pick-&-Ban Phase. Once both Teams confirm readiness, a League Official will instruct the game lobby owner to start the Game. Coaches will be granted on-stage access and will be allowed to communicate with the Players during the Pick-&-Ban Phase.

Coaches will exit the stage to a designated position once the countdown timer has reached five seconds during the Trading Phase and will be muted once the timer has reached zero seconds.

- 9.8.2. The Pick-&-Ban Phase will be executed through the Client's Tournament Draft feature. At the discretion of League Officials the Pick-&-Ban Phase may be recorded and the Game's start aborted.
- 9.8.3. Game Settings:
 - Map: Summoner's Rift
 - Team Size: 5
 - Allow Spectators: Lobby Only
 - Game Type: Tournament Draft
- 9.8.4. League Officials may choose to employ either the Tournament Draft feature or a manual draft at their discretion.
- 9.8.5. Restrictions may be added at any time before or during a Match, if there are known bugs with any Gameplay Elements or for any other reason as determined at the discretion of the League.
- 9.8.6. Draft mode proceeds in a snake draft as follows:
 - Blue Team = A; Red Team = B
 - Bans: ABABAB
 - Picks: ABBAAB
 - Bans: BABA
 - Picks: BAAB
- 9.8.7. If a Player picks or bans a Champion by mistake in the Pick-&-Ban Phase, the Player must notify a League Official of their intended selection before the other Team has locked in their next selection. In this case the Pick-&-Ban Phase will be restarted with the same Picks and Bans up until the mistake occurred and the Player may correct the mistake. In the case the other Team has locked in their next selection, before the Player notifies a League Official, the Pick-&-Ban Phase will not be restarted and the mistakenly selected Champion stays locked in.
- 9.8.8. Teams must complete all Champion trades before the 20-second mark during the Trading Phase, or will be subject to penalties.

9.9. Game Start

- 9.9.1. A Game will start immediately after the Pick-&-Ban Phase is complete, unless otherwise stated by a League Official. At this point, League Officials will remove any printed materials from the Match Area, including any notes written by Team Members. Players are not allowed to quit a Game after the completion of the Pick-&-Ban Phase.

Last modification date: 21st of November 2022

- 9.9.2. If there is an error in Game Start or an LEC Official decides to separate the Pick-&-Ban Phase and the Game Start, the Blind Pick feature may be used at the discretion of the League. All Players will select Champions in accordance with the valid completed Champion selections.
- 9.9.3. If a Bugsplat, disconnect or any other failure occurs which interrupts the loading process and prevents a Player from joining a Game, the Game must be immediately paused until all Players are connected.

9.10. Pause

- 9.10.1. If a Player intentionally disconnects without notifying a League Official or pausing, the League Official is not required to enforce a pause. During any pause Players may not leave the Match Area unless authorized by a League Official or a Referee and accompanied by another League Official or Referee.
- 9.10.2. League Officials may order or execute a pause of a Game at their sole discretion.
- 9.10.3. Players may only pause a Game immediately following an Unintentional Disconnect, hardware/software malfunction or physical interference and must notify a League Official immediately and identify the reason.
- 9.10.4. Minor Player illness, injury, or disability is not an acceptable reason for a Player pause. In the case of an underlying and/or pre-declared medical condition the Player may however inform a League Official prior to the Match, who may then grant a pause during the Match in order to evaluate the issue and to determine whether the Player is ready, willing, and able to continue playing within a reasonable period of time, as determined by the League Official, but not to exceed a few minutes. If the League Official determines that the Player is not able to continue playing within such reasonable period of time, then the Player's Team shall forfeit the Game unless a League Official determines that the Game is subject to an Awarded Game Victory at the League's discretion.

- 9.10.5. If a League Official observes a condition or behaviour, is notified by a Team or otherwise has a good faith belief that leads the official to believe that a Player is medically unfit to play or continue play, the League Official may, in his/her sole discretion, grant a pause, not to exceed ten minutes, in order to evaluate the identified Player.

If League Officials determine that a Player needs to be examined by medical officials, such Player must receive medical clearance to play or continue play.

Such Player may refuse medical exam or care, but in such a situation they will lack requisite medical clearance and will not be able to play or continue to play.

If a Player is rendered unable to play or continue to play because of a lack of medical clearance, or if the Team is unable to field a roster that is compliant with these Rules, the Team shall forfeit the Game unless a League Official, at their sole discretion, determines that the Game is subject to an Awarded Game Victory.

- 9.10.6. Players are not permitted to resume the Game after a pause. After clearance from a League Official is issued and all Players are notified and ready, which will be contingent on confirming through in-game chat, the in-client spectators will unpause the Game.
- 9.10.7. If a Player pauses a Game without a valid reason as outlined above, or un-pauses a Game without permission from a League Official, it will be considered unfair play and penalties will be applied at the discretion of the League.
- 9.10.8. For the fairness of all competing Teams, Players are not allowed to communicate with each other during a pause. For the avoidance of doubt, Players may communicate to the Referee, but only in order to identify and remedy the cause for the pause. If a pause extends long enough, Referees may, at their discretion, allow Teams to talk before the Game is unpaused, in order to discuss the Game's conditions.

10. Chronobreak

10.1. Definitions

- 10.1.1. **Chronobreak.** The Deterministic Disaster Recovery Tool.
- 10.1.2. **Bug.** An error, flaw, failure or fault that produces an incorrect or unexpected result, or causes a game or hardware device to behave in unintended ways.
- 10.1.3. **Minor Bug.** A bug (including a hardware failure) that is, at worst, inconvenient to players. This may include bugs that alter game stats or gameplay mechanics in a manner that, while not optimal, can be played through if necessary. For the avoidance of doubt, in a case where Chronobreak is not available, these bugs would not result in a remade game.
- 10.1.4. **Play Through Bug.** A bug that does not significantly alter the competitive integrity of the game. This may mean that there are mitigation steps available for an otherwise difficult to play around bug (like restarting the game client or computer). Alternatively, this may include situations where the impact of the bug can be mitigated through other in-game functions.

This category also includes bugs provided under the “inform designation” - i.e. those bugs that are provided to teams in advance of games (usually champion, item or environment interactions and persistent effects) for which no Chronobreak or remake will be offered. These effects or interactions cannot be avoided or mitigated through any means other than disabling of the offending champions, skins or items and thus Chronobreak and remakes are not available for these bugs, which must be played through.
- 10.1.5. **Unintentional Hardware Failure.** The failure of any piece of hardware, including server failure, monitor or PC failure or player peripheral failure. This does not include any hardware failure that is player induced, including the intentional damage to, or destruction of, a player peripheral, damage to the monitor or a player interfering with a PC. The determination of whether a hardware failure is unintentional is up to the sole discretion of League Officials.
- 10.1.6. **Critical Bug.** A bug (including an Unintentional Hardware Failure) that significantly damages a player's ability to compete in the game situation, significantly alters game stats or gameplay mechanics, or a situation in which the external environmental conditions become untenable. The determination of whether the bug has significantly damaged a player's ability to compete is up to the sole discretion of League officials.
- 10.1.7. **Verifiable Bug.** A bug or critical bug that is conclusively present and not attributable to player error. The spectator must be able to replay the instance in question and verify the bug or critical bug.

10.1.8. **Terminal Situation.** A bug or other circumstance that requires that a game be remade. These circumstances include (i) instances of critical bugs where Chronobreak is unavailable or unable to recover the game; (ii) bugs which cannot be remedied or avoided through the use of Chronobreak, including champion or skin bugs that may require that such champion or skin be disabled; or (iii) any other instance in the discretion of League Officials where the continuation of the game is untenable (including environmental concerns and catastrophic hardware failure).

10.1.9. **“Dead-Ball” State.** A point in a game when neither team is heavily engaged with one another, although some minor engagement may still constitute a dead-ball state.

In establishing a dead-ball state, every effort should be made to identify a time as close to the bug instance as possible while providing an approximate 2 second window before a potential engagement in situations where the game was wound back from a point where the teams were engaged. The goal is to locate a point in time where an engagement remains possible, but not inevitable.

A perfect dead-ball state may not exist, and in those situations, the overarching goal of identifying a state in which there is no major engagement as close as possible to the bug instance should be prioritized (for example, going too far back could potentially remove setup a team has done, including wards, lane pressure and flanking).

10.1.10. **Cost.** Any (i) player deaths; (ii) objectives (tower, inhibitor, dragon, herald or baron) taken that were not otherwise in progress at the dead-ball state (i.e. dragon was pulled or three players on the tower with a minion wave and no opposition); or (iii) ultimate, item or summoner spell usage where such ultimate spell at Rank 1 (regardless of the ultimate rank or cooldown at the time of the bug) or base summoner spell or item (i.e. without cooldown reductions from runes or items) has a cooldown of 110 seconds or longer. An ultimate or summoner spell used, in the opinion of League Officials, outside of normal play patterns for the purpose of triggering a cost under this rule shall not constitute a cost. Other factors such as vision (placed or destroyed wards), minions farmed, etc, while all carrying some value in the game, do not rise to the level of consideration in whether to use Chronobreak.

10.1.11. **Prompt Reporting.** Once a player is aware of a bug (which, as defined, includes presumed hardware failures), the player is required to pause the game as soon as is practical through one of the methods listed below and alert League Officials as to the bug. These methods are:

- Pausing the game through the /pause command
- Asking a teammate to pause over audible voice communications
- Requesting that a referee pause the game

For the avoidance of doubt, if a player audibly requests that a referee pause the game, even if the game is not immediately paused, the player will be considered to have requested a pause as soon as is practical. In addition, it may not be practical to cause an immediate pause upon recognizing the bug if, for example, the two teams are engaged with each other. In such cases, League Officials may determine that it was not practical to pause the game until the engagement ended.

10.1.12. **Game of Record.** A game where all ten players have loaded and which has progressed to a point of meaningful interaction between opposing teams. Once a game attains Game Of Record (“GOR”) status, the period ends in which incidental restarts may be permitted and a game will be considered as “official” from that point onward. Examples of conditions which establish GOR:

- Establishing line-of-sight between players on opposing teams.
- Any attack or ability is landed on minions, jungle monsters, structures, or enemy Champions.
- Setting foot, establishing vision or targeting skillshot ability in opponent’s jungle by either team, which includes either leaving the river or entering brush connected to enemy jungle.
- Game timer reaches two minutes (00:02:00).

10.2. Chronobreak Availability and Use.

10.2.1. If a game experiences a bug at any point during the match, League Officials must first determine whether the player followed the pause protocol (See 8.1.11. Prompt Reporting). If the game was timely paused, League Officials must next determine whether the bug is a verifiable bug. If it is a verifiable bug, League Officials must next determine whether the bug is a minor bug, critical bug or terminal situation.

10.3. Minor Bug.

- 10.3.1. If the bug is a minor bug and is not a Play Through Bug, League officials must determine what the appropriate dead-ball state would be and whether there is a cost associated with the use of Chronobreak to revert to that dead-ball state. If there is a cost associated with the minor bug, Chronobreak is not available and players should be instructed to play through the bug.
- 10.3.2. In the case of a minor bug with no cost, League Officials must determine (i) whether Chronobreak can restore the game; and (ii) whether reverting the game to an earlier state will fix the bug or avoid the trigger condition for the bug. If Chronobreak cannot restore the game or reverting the game to an earlier state will not fix or avoid the bug, or in the case of any play through bug, Chronobreak shall not be used and the players will be instructed to play through the bug.
- 10.3.3. If League Officials determine to the use of Chronobreak is appropriate, League Officials shall determine whether either or both teams were significantly disadvantaged by the minor bug, and any significantly disadvantaged team will be offered the opportunity to Chronobreak the game, although such team will not be told what dead-ball state will be utilized. If both teams are significantly disadvantaged, either team requesting a Chronobreak will trigger the use of Chronobreak.
- 10.3.4. If any significantly disadvantaged team requests a Chronobreak, League Officials will utilize Chronobreak to restore the game to the appropriate dead-ball state. If an appropriate dead-ball state does not exist, players may still be placed back to a recovered spot prior to the bug occurring at the discretion of League Officials.

10.4. Critical Bug.

- 10.4.1. In the case of a critical bug (where such critical bug is not a play through bug), League Officials must determine (i) whether Chronobreak can restore the game; and (ii) whether reverting the game to an earlier state will fix the bug or avoid the trigger condition for the bug.
- 10.4.2. If Chronobreak cannot restore the game, or reverting the game to an earlier state will not fix or avoid the bug, then the bug constitutes a Terminal Situation.
- 10.4.3. In the case of a critical bug, League Officials will determine whether either or both teams were significantly disadvantaged by the critical bug, and any significantly disadvantaged team will be offered the opportunity to Chronobreak the game, although such team will not be told what dead-ball state will be utilized. If any significantly disadvantaged team requests a Chronobreak, League Officials will attempt to find an appropriate dead-ball state prior to the bug occurring. If an appropriate dead-ball state does not exist, players may still be placed back to a recovered spot prior to the bug occurring at the discretion of League Officials.

10.5. Terminal Situation.

- 10.5.1. In the case of a Terminal Situation, League Officials shall follow the remake procedure (below).

10.6. Remakes Before GOR.

- 10.6.1. The following are examples of situations in which a game may be remade if GOR has not been established:
- 10.6.2. If a player notices that the player's rune, Summoner Spell or GUI settings have not applied correctly due to a bug between the game lobby and match, the player can pause the game to adjust these settings. If the settings cannot be correctly adjusted, then the game may be restarted. The Game will not be restarted if the settings have not applied correctly for game elements that have no significant competitive effect (e.g. ward skins, emotes, etc.).
- 10.6.3. If League Officials determine that technical difficulties will not allow for the game to resume as normal (including a team's ability to be in proper position for certain game events, such as minion spawn).
- 10.6.4. Any circumstance which would permit a restart after GOR.

10.7. Remakes After GOR.

- 10.7.1. The following are examples of situations in which a game may be restarted after GOR has been established.
- 10.7.2. If a game experiences a Terminal Situation at any point during the match.
- 10.7.3. If a League Official determines that there are environmental conditions which are unfair (e.g. excessive noise, fan gank, hostile weather, unacceptable safety risks).

10.8. Remake Procedure.

- 10.8.1. Terminal Situation. League Officials will determine whether either or both teams were significantly disadvantaged by the bug, and any significantly disadvantaged team will be offered the opportunity to remake the game. If any significantly disadvantaged team accepts a remake, the game will immediately be restarted as per this section. Significant disadvantage is a prerequisite to a remake offer.
- 10.8.2. Controlled Environment. Certain conditions may be preserved in the event of a remade game that has not reached GOR, including, without limitation, picks/bans, runes and Summoner spells. If, however, a match has reached GOR, League Officials shall not retain any settings.

- 10.8.3. Champion and Skin Disables. If the remake occurred due to a champion bug, then settings no longer will be retained (including picks and bans) regardless of Game of Record status and the champion may be made ineligible for at least the remainder of the day's matches unless the bug can be conclusively tied to a specific game element that can be fully removed (i.e. a skin that can be disabled). For clarity, settings may be retained in situations where Game of Record has not been established and the bug can be conclusively tied to a specific game element that can be fully removed.

10.9. Hardware Malfunction.

- 10.9.1. In the case of any hardware malfunctions, League Officials shall determine whether the hardware malfunction constitutes a minor bug (i.e. a monitor loses power and a player walks directly into an enemy turret), a critical bug (i.e. a keyboard stops working, causing a player death) or a terminal situation (i.e. the game server crashes) and follow the appropriate standard above.

10.10. Reporting Procedure.

- 10.10.1. Any bug that triggers analysis under this rule should be documented by the local region in a "Bug Incident Report", including a narrative on the information the team had on hand (i.e. use of ShadowPlay, behaviour observed, etc) and the decision making process.

10.11. League Discretion

- 10.11.1. League Officials may utilise Chronobreak at any time or restart any game if League Officials, in their sole and absolute discretion, believe that such an action is necessary to preserve the best interests of the League. This power is not constrained by the lack of any specific language in this document.

10.12. Awarded Game Victory

- 10.12.1. In the event of a technical difficulty which leads League Officials to declare a restart, League Officials may instead award a game victory to a Team. League Officials, at their sole discretion, may determine that a team cannot avoid defeat to a degree of reasonable certainty. The following criteria may be used (but are not required to be used) in the determination of reasonable certainty.
- Game Time. If a game has been played for more than 15 minutes on the game clock (00:15:00).
 - Gold Differential. The difference in gold between the Teams is more than 33%.
 - Remaining Turret Differential. The difference in the number of remaining turrets between the Teams is more than seven (7).
 - Remaining Inhibitor Differential. The difference in the number of standing inhibitors between the Teams is more than two (2).

CONFIDENTIAL

Version number: 2.0

Last modification date: 21st of November 2022

- Remaining Nexus Turret Differential. The difference in the number of remaining Nexus turrets between the Teams is two (2).
- Champion Differential. The difference in alive champions between the Teams is at least four with the remaining death timers on all dead champions being at least 40 seconds or higher.
- Straight Up GG. At the time of technical difficulty there is no scenario that in the opinion of League Officials could result in anything other than the victory of one Team.

10.13. Post-Game Process

- 10.13.1. League Officials will confirm and record the Game's result.
- 10.13.2. Players will inform League Officials of any technical issues.
- 10.13.3. Referees may log into Player Accounts to join the next Game's lobby.
- 10.13.4. League Officials will inform Players of the remaining time before the next Game's Pick-&-Ban Phase. Pick-&-Ban Phase will commence as scheduled even if a Team is not fully present in the Match Area. If only a single Player of a Team is present when the Pick-&-Ban Phase begins, this Player may determine all Picks and Bans for the Team. If no Player from a Team is present in the Match Area when the Pick-&-Ban Phase begins that Team shall be deemed to have forfeited the Game.
- 10.13.5. After a Match Players will be informed of any post-match obligations including, but not limited to, media appearances, interviews, or further discussion of any other matters.

10.14. Scheduling

- 10.14.1. The League may, at its sole discretion, modify the schedule of Matches. In the event of a schedule modification the League will notify all Teams at the earliest convenience.
- 10.14.2. Players participating in a League event must arrive on-site and on-stage no later than the time specified by the League Officials.

10.15. Referees

10.15.1. Referees will oversee the League Matches, including the following:

- Checking the Team's Starting Line-up before a Match
- Checking and monitoring Player peripherals and Match Areas
- Announcing the beginning of a Game
- Ordering pause/resume during a Game
- Issuing penalties in response to rule violations during the Match
- Confirming the end of the Match and its results

10.15.2. At all times, Referees shall conduct themselves in a professional and impartial manner. No passion or prejudice shall be shown towards any Player, Team, Team Manager, Coach or other individual.

10.15.3. If a Referee makes an incorrect judgement, the judgement can be subject to reversal. League Officials, at their discretion, may evaluate the decision during or after the Match to determine if the proper procedure was implemented. If the proper procedure was not followed, League Officials reserve the right to potentially invalidate the Referee's decision. League Officials will always maintain final say in all decisions set forth throughout the League.

11. Code of Conduct

11.1. Competitive Integrity

- 11.1.1. Teams are expected to play at their best at all times within any League Match, and to avoid any behaviour that potentially threatens the actual or perceived integrity of competition or that is otherwise inconsistent with the principles of good sportsmanship, honesty, or fair play. Violating this rule will be subject to penalties at the discretion of League Officials. All decisions in regard to violations are at the sole discretion of the League. Examples below are listed for illustrative purposes only:
- 11.1.2. Collusion, which is defined as cooperation or conspiracy to cheat or deceive others. The cooperation or conspiracy can occur among Team Members, Teams, and/or Organisations, and can be done to the sole benefit of the parties involved in the cooperation or conspiracy. - 11.2.4. Team Managers/Members may not offend the dignity or integrity of a country, private person or group of people through contemptuous, discriminatory or denigrating words or actions on account of race, skin color, ethnic, national or social origin, gender, language, religion, political opinion or any other opinion, financial status, birth or any other status, sexual orientation or any other reason.
- 11.2.5. Team Managers/Members may not give, make, issue, authorize or endorse any statement or action having, or designed to have, an effect prejudicial or detrimental to the best interest of the League, Riot Games or its affiliates, or League of Legends, as determined in the sole and absolute discretion of the League.
- 11.2.6. Teams may receive or may be asked to submit paperwork for approval or visibility throughout the League Season. This paperwork is necessary for maintaining expectations throughout the League. Early announcements can disrupt the competitive scouting a Team would use to create strategies for upcoming Matches. For this reason, if a Team Manager/Member has been told not to release information, as it may undermine the competitive process, and the Team Manager/Member proceeds to release said information, then the Team Manager, Team Member and/or Team will be subject to penalties.
- 11.2.7. If the League or Riot Games determine that a Team, Team Manager or Team Member has violated the Summoner's Code, the League of Legends Terms of Use, or other rules of League of Legends, League Officials may assign penalties at their sole discretion. Furthermore, if a Team Manager/Member has committed rules violations, League Officials reserve the right to impose additional sanctions on that Team Manager/Member's Team if it determines the Team was complicit or otherwise associated with the misconduct in question. If a League Official contacts a Team Manager/Member to discuss the investigation, the Team Manager/Member is obligated to tell the truth. If a Team Manager/Member withholds information or misleads a League Official creating an obstruction of the investigation then the Team Manager, Team Member and/or Team is subject to punishment.
- 11.2.8. A Team Manager/Member may not engage in any activity which is prohibited by common law, statute, or treaty and which leads to or may be reasonably deemed likely to lead to conviction in any court of competent jurisdiction. This includes but is not limited to the use of substances prohibited by law in Germany and other potentially applicable jurisdiction.
- 11.2.9. A Team Manager/Member may not disclose any confidential information provided by the League or any affiliate of Riot Games, by any method of communication.

- 11.2.10. No Team Manager/Member may be involved with the offering, giving, acceptance, or receipt of a bribe, gift, or any type of consideration, financial or otherwise, that could result in the improper influencing or manipulation of any esports tournament or match globally or any portion or aspect of such competition. Performance-based compensation paid to a Team Manager/Member by a Team's official sponsor or owner is permitted under this rule.
- 11.2.11. No Team Manager/Member or Affiliate of a Team may solicit, lure, or make an offer of employment to any official Team Member who is signed to any League Team, nor encourage any such Team Member to breach or otherwise terminate a contract with said League Team. A Team Member may not solicit a Team to violate this rule. A Team Member may express publicly their desire to leave the Team and encourage any and all interested parties to contact their Manager. But the Team Member may not entice a Team directly to reach out to their Team Manager or attempt to violate their contractual obligations. Violations of this rule shall be subject to penalties, at the discretion of League Officials. To inquire about the status of a Team Member from another Team, Team Managers must contact a Team Manager of the Team that the Team Member is currently contracted with. The inquiring Team must provide visibility to League Officials before being able to discuss the contract with a Player. Contracts for Players can be found in the Global Contract Database.
- 11.2.12. No Team Manager/Member may refuse or fail to apply the reasonable instructions or decisions of League Officials.
- 11.2.13. No Team Manager/Member may engage in any action that could improperly influence or manipulate any esports tournament or esports match globally or any portion or aspect of such competition. Additionally, no Team Manager/Member or League Official may instruct, permit, cause, or enable other individuals to engage in such actions.
- 11.2.14. Documentation or other reasonable items may be required at various times throughout the League Season as requested by League Officials. If the documentation is not completed to the standards set by the League, then a Team may be subject to penalties. Penalties may be imposed if the items requested are not received and completed at the required time.
- 11.2.15. No Team Manager/Member may engage, nor attempt to engage, in any legal or illegal gambling activity relating in any way to any global esports tournament or event. This rule applies to all esports gambling activities including, without limitation, those available in any physical retail location or those conducted via the internet. Gambling activity is defined as placing anything of value – including real currency, virtual currency, or other digital assets – at risk in connection with a bet or wager. Additionally, no Team Manager/Member, League Official, or Riot Games employee may instruct, permit, cause, or enable other individuals to

engage, nor attempt to engage, in any legal or illegal gambling activity relating in any way to any global esports tournament or event.

- 11.2.16. No Team Manager/Member may take part, either directly or indirectly, in any legal or illegal season-long or daily fantasy contests related to any esports tournament or match globally which rewards anything that has real-world value, monetary or otherwise. Fantasy contests or daily fantasy contests are defined as any online or peer-to-peer contests in which the real-world performance of esports participants determines the virtual performance and/or point total of a fictional team assembled by game participants.
- 11.2.17. No Team Manager/Member may request or disclose, directly or indirectly, any non-public information that could potentially provide an advantage in gambling activities to any person that does not have a legitimate need to know such non-public information. Individuals may violate this provision whether they know or reasonably should know that the non-public information in question could be used for the purposes of gambling activity. Examples of such information include, but are not limited to, team lineups, transactions, team strategy, schedule changes, and the results of pre-recorded matches that are broadcast or live streamed to audiences at a later date. Similarly, no Team Manager/Member, League Official, or Riot Games employee may request or support any such provision of knowledge or other information, whether for their own gain or for the gain of others.
- 11.2.18. All individuals subject to these rules are under a duty to report to Riot Games and the League, without undue delay and unprompted at the first available opportunity, via email, any witnessed, attempted, suspected, or known violation of these rules. Individuals are obligated to report such activity whether they were directly involved in the matter or should have reasonably been aware of the matter. Failure to report such information constitutes a rules violation in itself. Retaliation against any individual who, in good faith, reports such a matter is strictly prohibited.

11.3. Penalties

- 11.3.1. Any person found to have engaged in or attempted to engage in any act that the League believes, in its sole and absolute discretion, constitutes unfair play, will be subject to penalty. The nature and extent of the penalties imposed due to such acts shall be in the sole and absolute discretion of the League.
- 11.3.2. Upon discovery of any Team Manager/Member committing any violations of the rules, the League may issue the following penalties:
- Verbal Warning
 - Loss of Side Selection for current or future Game(s)
 - Loss of Ban(s) for Current or Future Game(s)
 - Fine(s) and/or Prize Forfeiture(s)
 - Game and/or Match Forfeiture(s)
 - Suspension(s)
 - Disqualification(s)
- 11.3.3. Repeated infractions are subject to escalating penalties, up to, and including, disqualification from future participation in the League. It should be noted that penalties may not always be imposed in a successive manner. The League, in its sole discretion, can disqualify a Team Manager, Team Member or Team for a first offense if the action of the Team Manager, Team Member or Team is deemed egregious enough to be worthy of disqualification by the League. Penalties that state a listed amount of time for discipline will only apply to competitive months. Competitive months are defined as the months in which League of Legends' professional competition is taking place.
- 11.3.4. Infractions will be governed by the LEC Penalty Index and/or the Global Penalty Index for major infractions.

11.4. Dispute Resolution

- 11.4.1. Upon the League's determination of a Major Rules Violation by a Team Member, Team Entity or Owner, then the Team implicated by such Major Rules Violation will have the right to invoke a review of the League's determination of the Major Rules Violation using one of the following methods at the Team's discretion:
- 11.4.2. **Expedited Review - 24 hours**
- The League will form a committee consisting of three non-case-related Rioters.

- The affected Team will be allowed to send a Team representative to observe the process; however, the Team representatives inability to attend shall not impact the committee's process in the interest of the 24 hour turnaround time.
- The Expedited Review Committee will only consider the evidence upon which the League made its determination of a Major Rules Violation and shall not accept new evidence or arguments from the parties.
- The Expedited Review Committee can overturn the determination of the League of a Major Rules Violation if two out of the three Expedited Review Committee members are in favor of overturning the determination.
- If for whatever reasons, the Expedited Review Committee cannot finalise its review within 24 hours, the League will suspend the penalty until the committee comes to a conclusion, which may not exceed 72 hours in total.

11.4.3. **Non-expedited Review**

- The League will form a committee which will consist of a Representative of the affected Team, a League Representative and an agreed-upon third party, but will otherwise function like the expedited review committee.
- During the Non-expedited Review Team Member penalties will not be suspended.

11.4.4. Any violations governed by the Global Penalty Index which occur or are discovered by the League on the game-day may be exempt from the penalty suspension provision of the Expedited Review process at the sole discretion of the League.

11.4.5. Any challenges issued on the game-day may be exempt from the penalty suspension provision of the Expedited Review process at the sole discretion of the League.
